

PELIKAN'S BACK TO SCHOOL DOODLE ART CONTEST 2023

Pelikan's Back to School Campaign 2023 contest is back, giving students the chance to showcase your artistic talents and get rewarded handsomely for your efforts! Contest starts on 1st February and ends on 30th April 2023.

Let's Doodle!

Unleash your creativity one doodle at a time!

We believe in encouraging children's creativity through art which allows children to express themselves uniquely while fostering their passions, emotions and curiosity. We invite children from around the country to share their creative talents and we hope that children will continue to create wonderful art always.

This year, Pelikan Malaysia is promoting doodling art among the young children to express themselves! For children, particularly those who cannot draw well but want to improve their artistic skills, doodling is a fantastic way to show their creativity. There are many upsides to doodling: not only is doodling therapeutic and relaxing, doodling also allows you to de-stress, increase your focus and attention, and promotes your artistic and humorous mind set. There are also many styles to doodling. We are excited to see the diversity in our young generation's doodling designs in this upcoming Pelikan Doodle Art Contest! We hope to raise awareness among the children through doodling and that all kids will unleash their artistic expressions and imagination using Pelikan's colouring materials.
